

## **Proud Achievement of Our English Department in the SOF Olympiad!**

We are thrilled to share the remarkable achievements of our English Department in the Science Olympiad Foundation (SOF) International English Olympiad (IEO) 2024-25!

Our talented students have demonstrated exceptional linguistic skills and secured outstanding results:

**Number of students registered: 218**

**Number of students appeared in the exam: 210**

**28 students achieved top ranks at the school level and were awarded 28 Gold Medals of Excellence and Certificates of Appreciation.**

**Additionally, eight students have qualified for Round-2 Second Level of SOF IEO. (Result awaited)**

This achievement reflects the dedication of our students and the unwavering support of our educators.

The English Department teachers have also received Certificate of Appreciation for encouraging and guiding the students.

Congratulations to all the participants and winners for making us proud!
