

## Orientation Program 2025 - "Together We Rise"

Unity is strength. . . when there is teamwork and collaboration, wonderful things can be achieved. -

The orientation program for the parents of Kindergarten to Class 2, conducted by ITBPPS on 29th March 2025, was a memorable event filled with warmth, inspiration, and collaboration. True to its theme, "Together We Rise," the program reflected the spirit of unity and growth.

The event commenced with the ceremonial lighting of the holy lamp, followed by the soulful Saraswati Vandana, invoking blessings for knowledge and wisdom. Our honorable Principal Sir was warmly welcomed with a sapling, symbolizing continuous growth, prosperity, and nurturing young minds. His inspiring words of wisdom set the tone for the gathering, motivating both parents and teachers for the journey ahead.

The highlight of the program was the enchanting Dance Drama - "The Magical Garden of Cooperation," featuring mass participation of enthusiastic students from the pre-primary (KG-II) section. Through a vibrant and colorful performance, the story beautifully illustrated how cooperation and teamwork are essential for achieving our goals.

The program also included a special prize distribution ceremony, where students who excelled in the Silver Zone Olympiad and Camlin Art Competition were felicitated, celebrating their hard work and dedication.

To conclude the session, our respected Coordinator Ma'am shared valuable parenting tips, guiding parents on the do's and don'ts of school life, fostering a stronger parent-school partnership.

The event wrapped up with a heartfelt vote of thanks, followed by a delightful high tea, leaving everyone with cherished memories and renewed enthusiasm for the academic journey ahead.

Together, as a community, we rise!
